Introduction	11
PART I	
Morphology	15
Chapter I	
Geological description	27
Table of formations	28
Basement Complex.....	32
Lower System	33
Petrological description of rocks belonging to this System	36
Upper System	49
Petrological description of rocks belonging to this System	65
Kibaras System	76
Kibaras movements	105
Petrological description of rocks belonging to this System	106
Post-Kibaras and Ante-Karoo Formations	114
Luana Formation	116
Tectonics of the Luana Formation	125
Petrological description of rocks belonging to this Formation	126
Formation of the Cartuchi and Camaungo creeks.....	128
Petrological description of rocks belonging to the Cartuchi-Camaungo Formation	131
Karoo System	131
Petrological description of rocks belonging to this System	143
Kalahari System	145
Petrological description of rocks belonging to this System	147
Tectonic movements in the Northeast of Angola	148
