

Table of Contents

1 THE HANDLING PROCESS	14
1.1. Handling – a Useless Process	20
1.2. The Development of Handling Technology	27
1.3. What Drives Automation in Handling Technology?	30
1.4. Handling and Production Technology Terminology	39
2 GRIPPERS – THE “APP” FOR ROBOTS	46
2.1. The Historical Development of Gripping Technology	50
2.2. The History of Robotics	60
2.3. Robots are Capturing the Markets	78
3 GETTING A GRASP OF GRIPPERS 88	
3.1. The Workpiece as a Starting Point	96
3.2. Gripper Fingers as Operating Elements	115
3.3. Gripper Hands	142
3.4. Transferring Forces	148
3.5. Gripping Ranges	171
3.6. Gripping Times	174
3.7. Gripping Situations	180
3.8. Grippers as a Source of Information	199
3.9. Gripper Selection	218
3.10. Gripping and Safety	230
4 MOVEMENT ADDS VALUE	242
4.1. The Impact of Movement	248
4.2. Making Movement Possible	271
4.3. Layout	309
4.4. Processing Workpieces	312
5 THE FUTURE OF GRIPPING AND HANDLING TECHNOLOGY	318
Bibliography	328
